

About Our THANKSgiving x 365 Fund Drive

Without our Nutrition Programs, many elders would no longer be able to maintain their current independent living situations.

We offer either a Home Delivered Meals program and/or a Senior Dining

Site in every town across the Cape and Islands.

Our Nutrition Program currently serves 1,202 meals on a daily basis.

We provide pre-cooked meals for many elders on weekends as well as holidays, making us truly a 365-day a year service.

Last year, Elder Services of Cape Cod and the Islands served 317,282 meals to frail elders in our community.

Meals-on-Wheels are more than just a meal; it's a safety check and a vital human link to the outside world.
