

Winter Speaker Series 2019

Senior Corps RSVP of Cape Cod & the Islands presents

Coastal Erosion on Cape Cod

with *Greg Berman*

Coastal Processes Specialist

Cape Cod Cooperative Extension & Woods Hole Sea Grant

Thursday, January 10 from 1 - 2 PM

Falmouth Public Library

300 Main Street, Falmouth, MA

We see it every year. Cape Cod's coastline is constantly changing from wind and water erosion due to the battering storms of our winters. Find out what is in store for Cape Cod's coastline, and what you can do to help your community.

Buried in Plastic

with *Jill Talladay*

Director

CARE for the Cape & Islands

Thursday, February 21 from 1 - 2 PM

Salt Pond Visitor Center

50 Nauset Road, Eastham, MA

Plastics litter our land and oceans causing alarming devastation to marine life. Single use plastic straws are small, yet are one of the top 10 items collected during beach cleanups. CARE for the Cape & Islands helps educate the public about the impact of plastic waste and offers simple changes we can all make to reduce our plastic pollution.

Cape Cod Pollinators

with *Joe Dwelly*

Lepidopterist

Massachusetts Butterfly Club

Wednesday, March 13 from 1 - 2 PM

Brewster Ladies' Library

1822 Main Street, Brewster, MA

We see different butterflies and bees at our plants every year, playing an important role in the pollination of our food and flowers. Learn about the diversity of butterflies found on Cape Cod, their relationship with plants, and how to attract pollinators to your backyard.

Seating is limited. Call to register.
